when I cannot be reached and/or when delay would be dangerous in case of illness or accident.

I understand and agree that I am responsible for any and all doctor, hospital, ambulance and dentist bills or any other medical expenses that may occur. My daycare provider will contact me as soon as possible in the event that medical treatment is required. I know that some medical emergencies may not allow much time to contact me and in this type of situation my daycare provider will immediately contact a physician, hospital, ambulance or other medical personnel and then will contact me as quickly as possible.
